We are wedding professionals and we take your needs seriously!

Three ways we stand out from other DJ services:

- 1) We match the right DJ to each client; other solo DJs just can't do that and have a 'one size fits all' approach.
- 2) We offer several options that include MC and DJ team; a trained professional MC can make all the difference.
- 3) Our DJs are professionally trained employees – not the DIY part-time DJs who 'learn from their mistakes' and will continue to learn from their mistakes at weddings just like yours.

WILL YOU PLAY OUR MUSIC?

Yes! You can count on it. It's your wedding, not ours, and we want you to be happy. One of the best ways we can guarantee this is by playing the music you want.

CAN WE MEET YOU IN PERSON?

Absolutely! You are welcome to meet us at our offices anytime, where we have a dedicated meeting space just for you.

WILL YOU HELP US PLAN THE FLOW OF OUR WEDDING RECEPTION?

Yes, we are happy to help guide you through many of the options and formalities of your reception.

Here's What Couples Say About the Premier Package

"AMAZING! I WISH I COULD GET MARRIED AGAIN JUST FOR THE PARTY!"

Extremely professional, but not uptight. They still had a lot of fun, but remembered it was a job. Our MC and DJ were spectacular and so friendly. Everyone is still talking about the music, the dancing and the up-lighting! AMAZING!! I wish I could get married again just for the party!

"IT WAS THE BEST DECISION I MADE FOR THE WHOLE WEDDING!"

The night was perfect. I was so nervous people wouldn't have fun at my wedding, but as soon as I talked to our MC all of that went away. Honestly I have never seen anyone perform like him! I am so grateful, it was the best decision I made for the whole wedding!

"SOUNDS UNLIMITED LIVED UP TO MY EXPECTATIONS AND MUCH MORE!"

I booked Sounds Unlimited because of their booth at a bridal show and their reviews on their website... I can say everything lived up to my expectations and MUCH MORE! Our MC was amazing. He got everyone where they were supposed to at the right time, he kept the party rocking, and he managed everything like a wedding planner would. They were so fantastic! I did book the more expensive package with a well established MC and DJ. That was the way to go for sure!

Wedding Reception,
Edmonds Yacht Club

"THE MC WAS FUNNY AND OUTGOING... HE WAS THE BEST WE HAVE EVER SEEN."

Our Reception Entertainment Director and MC were so accommodating and flexible which made the day so stress-free and enjoyable. There was never a time when people were standing around bored. They kept the flow going really well, and made a good transition from formal music at dinner to dance club music at the end of the night! The MC was funny and outgoing but didn't take the focus off the two of us, he was by far the best we have ever seen. Thank you so much for making our wedding the best day of our life!
